- **NetXInvestor**—Log in to NetXInvestor and click on the “Go Paperless” logo on the top right of the screen.
- **Quick Enroll**—Click “Quick Enroll” to enroll all accounts in eDelivery, or “Edit” to add accounts individually.
- **Make Your Choices**—Choose “Edit” and check the box next to the account communications you wish to receive electronically.<sup>1</sup> You can return to this screen and update your preferences any time. If you choose to receive proxy and shareholder communications electronically, you’ll be asked to enter a four-digit numerical PIN. Click “Save PIN.” When you’re finished, click “Save.”<sup>1</sup>
- **Terms and Conditions**—As the last step, you will see the Terms and Conditions of the Electronic Notification Agreement. Please read them and click “I Agree.”
- **Confirmation**—Now you’ll see a pop-up screen confirming your choices. You will also receive an e-mail confirmation as well as a hard copy letter for security purposes.

<sup>1</sup> Requiring a PIN to enroll in electronic delivery for proxy materials will be phased out in 2021. You must still create a PIN when enrolling in eDelivery. However, beginning December 1, 2020 investors will no longer be prompted for the PIN on the proxy voting site to view proxy materials.
