**Wealth Management Evolution: Strategies for Competing in a Crowded Market**
Ben Harrison, Co-Head, Pershing Wealth Solutions; Ainslie Simmonds, President of Pershing X; Hanneke Smits, CEO of BNY Mellon Investment Management; and Catherine Keating, leader of the BNY Mellon Investor Solutions and Wealth Management businesses explore a question facing every wealth manager: How do we evolve our firm to seize the future while still meeting the competitive challenges of today? With factors like customization, investor transformation, advisory evolution and institutionalization driving change, find out why our panel is confident that the best days for wealth management lie ahead.

**Evolving Human Capital: From Workforce to Competitive Driving Force**
Wealth management is a people business, yet never has it been more difficult to attract and retain talent in our industry. Shifting demographics, competitive pressures and the changes driven by the pandemic have combined to make managing human capital the central challenge of our era. Hear from visionary leaders from inside and outside financial services discuss how they are seizing today’s unique opportunity to rethink the physical workplace, talent attraction, and firm culture to establish new norms and create teams that deliver a true competitive advantage.

**ESG Exuberance is at All-Time Highs. But Will Investors Buy?**
Strategies focusing on Environmental, Social, and Governance (ESG) considerations are all the rage today, dominating the new launch market. These strategies are hotly debated at investment conferences, and ESG stories are covered heavily by the media. Managers want to talk about it, and investors are listening. Enthusiasm is turning into exuberance, but is exuberance turning into explosive growth?

**What’s Top of Mind for Top Advisors**
Pershing’s real-time polling at our Elite Advisor Summit gauged advisory firm executives’ views on the challenges and opportunities in 2022 and the years ahead. From the urgent strategic imperatives and the battle for talent, 75 C-suite executives from the nation’s largest RIA firms, representing an average AUM of $17 billion and a total assets under management of nearly $1 trillion, weigh in.

**Client Level Profitability**
Top performing advisors know how to manage profitability. In order to run the day-to-day business while they continue to grow and evolve, successful advisors that understand the levers of profitability will support their long-term sustainable future. Often, when advisors think of client-level profitability they think of revenue and expenses only. If advisors understand the profit drivers of their business and manage the components that they can control, they’re more able to maximize profit while managing capacity.

**Crypto Confidence: The Advisor Case for Digital Assets**
It is difficult to find an asset class getting more attention than digital assets and cryptocurrency, and for good reason. Cryptocurrency and digital assets were largely considered a fad and passing fancy by many advisors rightly concerned with their staying power. However, financial services firms have found that client attitudes and expectations are shifting with more than 80% wanting to learn more about digital assets. Learn why advisors should be more involved with their client’s digital assets portfolios.

**The WOW Factor: Gaining a Major Competitive Edge with Digital Wealth Management Tools**
Going digital fosters better client experiences and engagement and higher efficiencies and more revenue for cutting-edge firms. However, while leading wealth management firms realize the importance of adopting digital capabilities, many are still in the early stages of digital transformation. This article shares the competitive advantage of fully embracing all that going digital has to offer.

**Driving Growth Through Multigenerational Relationships**
This Pershing program combines expert-driven webinars, action-planning tools and best-practice insights to help financial professionals activate a strategy to build bonds with their clients’ family members. With wealth transitioning every day, it’s imperative to connect with the next generation and focus on the ongoing dynamics of all members of a client’s family.

**Cybersecurity in an Increasingly Complex World**
The perpetrators of cybercrime are not only keeping pace with advancements in technology, but they are also often on the leading edge—and the stakes are high if you don’t take appropriate steps to protect your systems.
