*A Third Party Model Provider (including Strategists) or UMA program sponsor may independently select a mutual fund or ETF which is advised or sub-advised by an investment advisory affiliate of BNY Mellon Advisors, Inc. (BNY Advisors). A conflict exists because BNY Advisors has the discretion to replace such mutual fund or ETF in BNY Advisors managed accounts, thereby affecting the compensation which may be earned by the affiliate. When BNY Advisors becomes aware that an affiliate is functioning in such capacity, and where BNY Advisors chooses not to replace the mutual fund or ETF, or the Model Provider or UMA program sponsor is unable (or unwilling) to replace the mutual fund or ETF, BNY Advisors will rebate the fees received by the affiliated adviser to the client. As of the date noted, the above listed models and mutual funds/ETFs were eligible for a rebate of fees received by the affiliated adviser. Model Providers and UMA program sponsors, independent from BNY Advisors, determine which mutual funds and/or ETFs to include in their respective models or UMA programs. Investment options available for selection vary based on the program sponsor.
